

Giving Tree

This year the Helping Hands Ministry has chosen to help the seniors in our community. We are working with local agencies to identify those seniors that could use a little something extra this Christmas.

We are also going to provide a gift bag to those from the parish that are in assisted living or nursing facilities.

Mittens will be on the Giving Tree the weekend of
November 26-27 and December 3-4.

We will also be providing a Christmas for the Ukrainian families.

We will be getting them a Christmas tree and helping them decorate it. Our gifts to them will be items they will need in the coming months along with a few fun things. If you would like to donate to these families, please look for the display for the post it notes.

All gift items need to be back by December 18 at noon
