

It's back! Our Lady Queen of Peace gives another opportunity to bridge the ages and keep youth involved in our Faith:

## School Ties

This program involves matching our college students with parish team members in order for them to remain connected or "tied" to the church. Once a month, or whenever our college students may need an extra boost, team members send a care package filled with prayers and encouragement, and share the latest parish happenings. This can be as easy as a quick note, or an actual package including anything from home-baked goods, gas cards (for trips home), restaurant cards, a church bulletin, or any other creative idea that would let them know we are praying and thinking of them. Each team member will "adopt" a student for a year. We are hoping this bridges the disconnect that many of our students heading off to college often feel. Just knowing someone is willing to think and pray for them can be a real stress-buster and give them the boost they need to conquer their next obstacle.

We need your help in two ways:

\*First, if you have a child or grandchild that is currently attending college, complete the form below.

\*Secondly, if ANYONE would like to "adopt" a student for a year, please complete the corresponding section.

\*Yes, you can fill out both sections!

\* Return the bottom in the Sunday collection basket by October 16th. You may also email information to Mary Manning at [mk.manning@outlook.com](mailto:mk.manning@outlook.com).
